

West Shore Orchid Society & Mid-America Orchid Congress

Advertising Contract

The West Shore Orchid Society in conjunction with the Mid-America Orchid Congress is pleased to present its annual orchid show to be held at the Strongsville Ehrnfelt Recreation Center on April 28-29, 2018. As part of this unique event, we are putting together a show program to distribute to those who attend the show to showcase local businesses and to talk about orchid care and Orchid Society membership. This is a great opportunity to advertise your business and to help support our Orchid Show. Please consider supporting our event.

Sincerely, **West Shore Orchid Society & Mid-America Orchid Congress**
